## UPDATES

Hi everyone,

Unfortunately, we just don't have the time or energy this month to put out a true newsletter. These things take about 8 hours or so to create. What with working 3 jobs, chronic health stuff, reptile breeding season, life, etc. I just can't swing it this month. I apologize to everyone who looks forwards to reading these.

Thank you everyone for your patience, understanding, and continued support. Much love

## AVAILABILITY UPDATE

[WWW.RADIANTREPTILESCANADA.COM](http://WWW.RADIANTREPTILESCANADA.COM) > AVAILABLE WESTERN HOGNOSES

**New postings** We have some new animals who are ready to home. I just have not had the time to take pictures, weigh, probe, and upload them to our website. I am hoping to do that ASAP. Hopefully within the next two weeks. Please keep checking our availabilities page on our website.

We still have some great animals ready for homing that are listed on our availabilities page.

**Winter Holds** If there is a hognose on our availabilities page that you just have to have, but shipping is not available due to the cold weather - you can place a non-refundable down deposit of half of the total animal's sale price + a \$30 housing/feeding fee to hold the animal until we can ship in March/April spring 2022.

---

**Shipping** Shipping available April/March 2022 as soon as weather permits.

**Holds** Half of the animal's sale price is required for a non-refundable down deposit.

**Payment plans** We are happy to work with you to set up a payment plan.

**Discounts** Discounts for those purchasing multiple animals, and to repeat clients.
